The Dept of Health why the word "should" and who will pay the balance & whether under the new arrangement the whole cost to be debited by the Dept

To

General Secretary to Government of Mysore,
BANGALORE.

Sir,

Adverting to Government Order No. L. 1564-74/L.B. 67-26-11 dated the 20th September 1929 passing orders on the administration of Local Cess in Sringeri and Yelandur Jahagirs, I have the honour to state that in this connection the subject of appointing a Vaccinator to look after the work of vaccination within the Jahagir area which was suggested by the District Health Officer was considered by the District Board at their last meeting when it was resolved that the appointment of a Vaccinator be approved and that the quota payable by the Board be paid.

In forwarding herewith a copy of the resolution of the Board for favour of sanction, I beg to state that a provision of Rs. 30+8 per mensem made for the appointment of additional Vaccinator for Chickmagalur Taluk in the Board's Budget for the current year remains still unutilized and this provision will be availed of for the appointment of the Vaccinator to the Sringeri Jahagir area. The question of appointing an additional Vaccinator for Chickmagalur Taluk contemplated in the current year's Budget will be considered again at the next Budget Meeting of the Board.

The present proposal does not therefore involve any additional cost to the Board beyond their Budget provision and necessary sanction of Government may kindly be obtained thereto and the same communicated to this office early.

Necessary Proposition statement, in duplicate, is also enclosed herein for favour of sanction.

I have the honour to be,

Sir,

Your most obedient servant,

President,

Sir,

With reference to correspondence ending with your letter No. L. 8801/L.B. dated the 27th April 1931 in regard to the employment of a Vaccinator for ~~the~~ Sringeri Jahagir, I have the honour to state that at the time of passing the resolution adverted to in your letter No. L. 5989/L.B. 26-29-13 dated the 11th February 1930 it was contemplated that the Sringeri Municipality would also require the services of a Vaccinator and bear a third of the cost of the appointment.

Now that Government have in their order No. L. 5803-5820 Ml. 5-29-~~105~~ 65 dated 20th January 1931 directed the recovery of fees of annas two per each case of Vaccination work done in Municipalities in such cases the question of recovering any contribution from the Municipality towards the pay of the Vaccinator does not arise.

Under these circumstances the Board will be moved at their next meeting to bear the full cost of vaccination establishment required to be employed for the Jahagir area and one will be appointed with effect from 1st July 1931 when the candidates selected by the Board for Vaccination training shall be have returned after finishing their course.
